**September 10, 2007 -- For immediate release**

**Crawford County Crimestoppers is offering a \$500 reward for information leading to the arrest of whoever is breaking into homes in rural Crawford County. The suspect knocks on the door to see if anyone is home and then takes guns and other valuables. There have been similar burglaries in surrounding counties. If someone is home, the suspect gives a bogus story about why he's there.**

**If you have any information, call 888-596-STOP or log on to [www.crimestopperscc.org](http://www.crimestopperscc.org). You can remain anonymous and still collect a cash reward.**
